

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours, the maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

The Bachelor of Science in Sport Leadership and Recreation provides career opportunities in the leisure services and general recreation fields. Employment opportunities are available in municipal recreation and park agencies; state and federal agencies; institutions serving special populations; college recreational services; youth-serving agencies, and commercial, outdoor, military, church and industrial agencies.

ADMISSION REQUIREMENTS

1. Prospective SLR majors must meet all university requirements and be admitted to Emporia State University. Applications to Emporia State University may be obtained online at <http://www.emporia.edu/admissions/apply>.

3. Prospective SLR majors must complete an application for admission to the SLR Program after they have completed the first 11 hours of the SLR core classes with a C or better (Sports Leadership and Recreation Application). This application must be accompanied by Major's Agreement Form, which must be signed and dated.
4. Prospective SLR majors must have an overall GPA of 2.5 and a 2.75 (or 2.7?) GPA in the first nine SLR core hours.

If a student does not meet the above criteria, the student may petition to be placed on probation for one semester and may re-apply at the end of that semester to be removed from probation.
