

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The electives within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). The maximum number of hours from a community college that will be applied toward a bachelor's degree at most four-year schools is 64. Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.

- The College of Arts and Sciences is the home of the liberal arts and is the largest college at K-State, offering more than 115 degree programs. The liberal arts include physical and biological sciences, the fine arts, the social sciences, the humanities and the quantitative disciplines.
- Undergraduate degrees offered in the College of Arts and Sciences are: bachelor of arts, bachelor of fine arts, bachelor of music, bachelor of music education and bachelor of science.
- A minimum of 120 credit hours are required for graduation. Up to half of the credits required for the degree maybe accepted from a community college. Students must complete at least 30 resident credits to be considered for a degree. At least 20 of the last 30 hours must be completed at K-State.
- All K-State students, including transfer students, are required to successfully complete credit-bearing courses/experiences to complete the K-State 8 General Education Program requirements. For information, see <https://www.k-state.edu/kstate8/>. Transfer courses evaluated as equivalent to K-State 8 courses can be applied to meet K-State 8 requirements.
- Students should consult with a JCCC counselor when planning their transfer course work, particularly in the areas of humanities, social sciences, and natural sciences, to allow for the university general education course work that must be taken at K-State.
- DirectLink - an initiative between Kansas community colleges and Kansas State University to provide future transfer students with support as they prepare to make the transition to K-State. Click [here](#) to sign up for DirectLink.

Worksheet to track JCCC courses that meet K-State 8 Tags

 Aesthetic Interpretation JCCC Course: _____	 Historical Perspectives JCCC Course: _____
 Empirical and Quantitative Reasoning JCCC Course: _____	 Human Diversity within the U.S. JCCC Course: _____
 Ethical Reasoning and Responsibility JCCC Course: _____	 Natural and Physical Sciences JCCC Course: _____
 Global Issues and Perspectives JCCC Course: _____	 Social Sciences JCCC Course: _____

It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.

K-State College of Arts and Sciences General Education Requirements – B.A./B.S.
The major difference between the B.A. and the B.S. is the Foreign Language requirement for the B.A.
and the extra science class for the B.S. (see notes below in those specific sections)

K-State 8 noted in each section (courses with ^ indicate they do not fall into the same K-State 8 category as that section, refer to <https://www.k-state.edu/kstate8/> for additional tag.) Some courses have more than one tag, therefore, covering more than one K-State category with just one course. This list is primarily made up of courses that have an equivalent at K-State, but additional classes may substitute, along with corresponding tags, with prior approval from the College Dean’s office. For specific Arts and Sciences curriculum guides, go to <https://www.k-state.edu/academics/majors-programs/> or visit <https://go.k-state.edu/pathways> to view the pathways.

MATH 340 Elem Differential Equations	MATH 254 Differential Equations*	Empirical & Quant. Reason.
PHYS 213 Engineering Physics I	PHYS 220 Engineering Physics I*	Empirical & Quant./N&P Sci.
PHYS 214 Engineering Physics II	PHYS 221 Engineering Physics II*	Empirical & Quant./N&P Sci.
Political Science - BA/BS		
POLSC 115 U.S. Politics	POLS 124 American National Government	Hist. Perspect/Social Sci.
POLSC 135 Intro. to Comparative Politics	POLS 132 Intro to Comparative Government	Global Issues/ Social Sci.
POLSC 145 World Politics	POLS 135 International Relations	Global Issues/ Social Sci.
POLSC 155 Introduction to Political Thought	POLS 192 Political Theory	Ethical Reasoning & Respon./Social Science
Psychological Studies - BA/BS		
STAT 325 Introduction to Statistics	MATH 181 Statistics*	Empirical & Quant. Reason.
PSYCH 110 General Psychology	PSYC 130 Introduction to Psychology	Empirical & Quant./Social Sci.
Social Work - BA/BS		
ANTH 200 Intro to Cultural Anthropology	ANTH 125 Cultural Anthropology	Global Issues/ Social Sci.
ECON 110 Principles of Macroeconomics OR ECON 120 Principles of Microeconomics	ECON 230 Principles of Macroeconomics OR ECON 231 Principles of Microeconomics	Global Issues/Social Sciences OR Social Sciences
MATH 100 College Algebra	MATH 171 College Algebra*	Empirical & Quant. Reason.
POLSC 110 Introduction to Political Science OR POLSC 115 U.S. Politics	POLS 122 Political Science OR POLS 124 American National Government	Global Issues/Social Sciences OR Social Science/Historical
PSYCH 110 General Psychology	PSYC 130 Introduction to Psychology*	Empirical & Quant./Social Sci.
SOCIO 211 Introduction to Sociology	SOC 122 Introduction to Sociology	Human Diversity/Social Sci.
SOCWK 100 Social Work: The Helping Profession	SOC 146 Introduction to Social Work and Social Welfare	Social Science/Historical
Sociology – BA/BS (General Sociology or Criminology options)		
STAT 325 Introduction to Statistics	MATH 181 Statistics*	Empirical & Quant. Reason.
SOCIO 211 Introduction to Sociology	SOC 122 Introduction to Sociology	Human Diversity/Social Sci.

KSU Course	JCCC Course	K-State 8 Category
Statistics - BA/BS		
MATH 220 Analytic Geometry & Calculus I	MATH 241 Calculus I*	Empirical & Quant. Reason.
MATH 221 Analytic Geometry & Calculus II	MATH 242 Calculus II*	Empirical & Quant. Reason.
MATH 222 Analytic Geometry & Calculus III	MATH 243 Calculus III*	Empirical & Quant. Reason.
CIS 111 Intro. to Computer Programming	CS 134 Programming Fundamentals	Empirical & Quant. Reason.
CIS 200 Programming Fundamentals	CS 205 Programming Algorithms using Java* OR CS 236 Object-Oriented Programing using C#*	Empirical & Quant. Reason.
CIS 209 C Programming for Engineers	CS 235 Object-Oriented Program using C++*	Empirical & Quant. Reason.
CIS 300 Data and Program Structures	CS 250 Data Structure using C++*	Empirical & Quant. Reason.
STAT 325 Introduction to Statistics OR STAT 350 Business and Economic Statistics	MATH 181 Statistics* OR MATH 285 Statistics for Business*	Empirical & Quant. Reason.
Theatre - BA/BS		
THTRE 270 Introduction to Theatre	THEA 120 Introduction to Theater	Historical Per/Aesthetic Inter.
THTRE 261 Fundamentals of Acting	THEA 130 Acting I*	Aesthetic Interp/Ethical Reas.
THTRE 368 Fund. Technical Production	THEA 135 Stage Makeup OR THEA 140 Basic Stagecraft OR THEA 145 Introduction to Theater Design	Aesthetic Interpretation
THTRE 211 Run Crew	THEA 123 Improvisation for the Theater* OR THEA 133 Technical Practicum I OR THEA 134 Performance Practicum I OR THEA 233 Technical Practicum II*	Aesthetic Interpretation
Gender, Women and Sexuality Studies - BA/BS		
GWSS 105 Intro to GWS Studies	WGS 201 Global Women's Studies	Human Div./Ethical Reason.

* JCCC course has a prerequisite or corequisite.
